OCTOBER SCHOOL HOLIDAY PROGRAM

SciWorld Party!

Drop your children in to have a 90 minute science party.

This is a great hands on educational adventure that is made to entertain the masses. Children will be making coloured slime, rockets, extreme bubbles and more. We will be finishing off with an elephants toothpaste demonstration (no elephants were harmed in this experiment)

Thursday 2 October
For ages 6 plus
10.30am – 12 noon
Cost $5

Fire & Ice

This show will blow you away!

This science show is more like a series of magic tricks, watch out for the flames, smoke and a whole lot of entertainment.
